Company Presentation

# THE COMPANY

With a team work in the electrical business for over 30 years in the market, Skaiteks America Corp is established on 2010 to become your estrategic partner for the right sourcing of electrical products for the distribution and transmission of the power energy.

Skaiteks has implemented a deep and dedicated work on the development of potential manufacturers and products which fully complies with the high technical requirements of our customers.

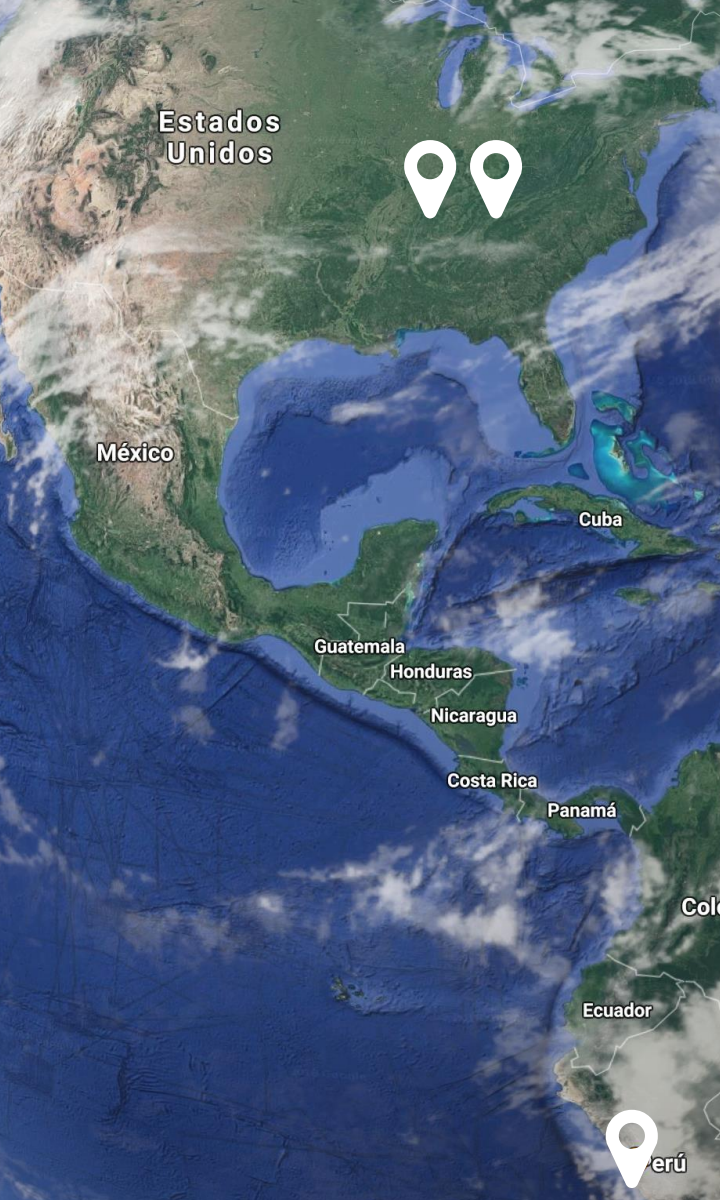

Setting up estrategic alliances with qualified manufacturers from China, India, Turkey, Russia and Perú.

**SKAITEKS**  
AMERICA CORP

PRODUCTS

# ALUMINUM RODS

Sourcing aluminum rods series 1350, 6101,  
6201, 8176, 5052.

Sourcing Capacity:  
>10000 tons per year.

# BARE ALUMINUM CONDUCTORS

AAC/AAAC/ACSR/ACAR

HTLS

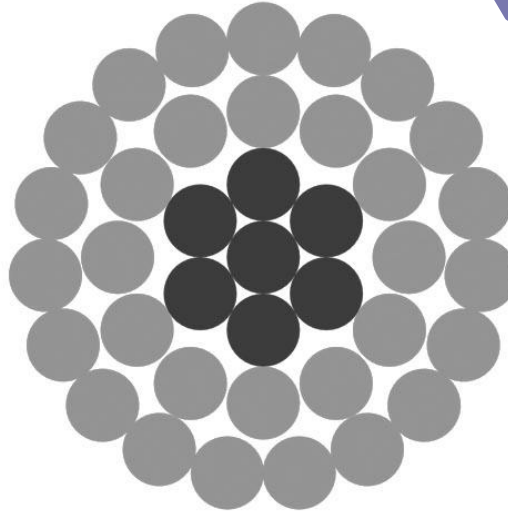

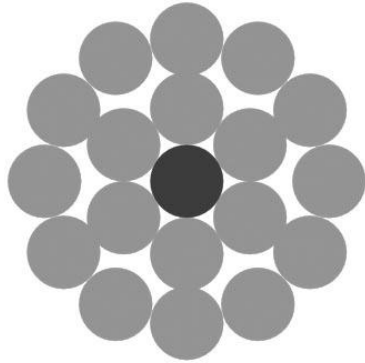

# FIBER OPTIC

OPGW

ADSS

# GALVANIZED STEEL WIRES

Steel Galvanized wires for ACSR manufacturing.  
ASTM standards

Steel Galvanized strands for Guying and Guard  
application.

# LV ALUMINUM CABLES

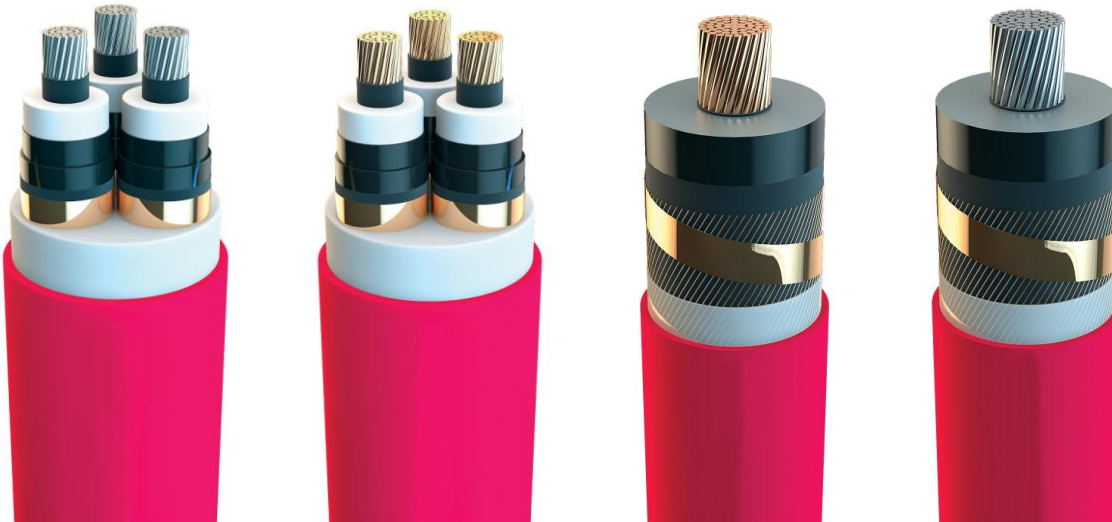

0.6 / 1KV; IEC Standards

Drop Aluminum Cable (Concentric Drop Cables)

Underground Aluminum Cable with and without armor.

Duplex, Triplex Cables (ABC)

# MV ALUMINUM CABLES

XLPE Underground Aluminum Cables; 15 KV / 25 KV / 35 KV.

Ecologic / Protected Cables 15KV / 25KV / 35KV (Aerial Cable Systems)

IEC / IRAM Standards.

# PORCELAIN INSULATORS

Class ANSI and IEC  
For low, medium and high voltage power lines.

Spool / Strain / Suspension / Pin/Line  
Post/Station Post.

# POLYMER INSULATORS

Type Pin (Line Post) Standard y Protected  
Leakaged Distance (15KV - 36KV).

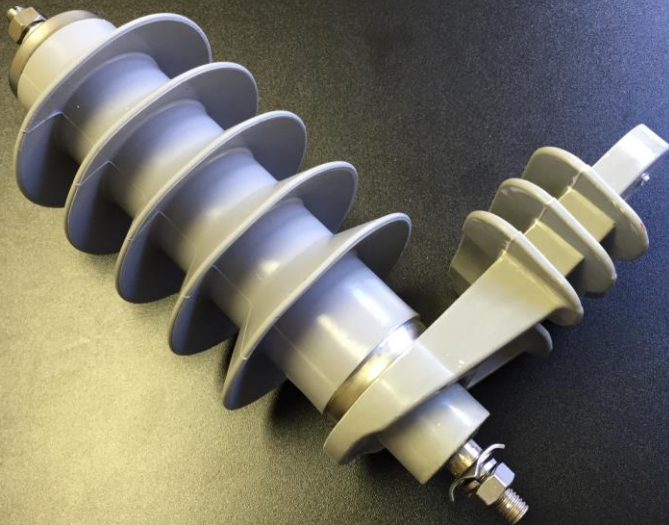

Suspension and Dead Ends (15KV - 1000KV).

Horizontal and Vertical Line Post (15KV -  
220KV).

**SKAITEKS**  
AMERICA CORP

# SURGE ARRESTERS And Fuse CUT OUT

Surge Arresters 10KA Class 1, 2 and 3  
Distribution, Line and Substation Type.

Polymer and Porcelain Cut Out  
Up to 170KV BIL  
Option of Stainless Steel metal fittings

**SKAITEKS**  
AMERICA CORP

# TRANSFORMERS

We have Type Test Reports performed by CESI of Italy.

Single Phase distribution Transformer 10 - 630KVA and Three Phase 25 - 2000KVA.  
Up to 46KV

Smart Transformers.

**SKAITEKS**  
AMERICA CORP

# ELECTRONIC METERS AND MINI CIRCUIT BREAKERS

Single Phase Electronic Meters 2 and 3 Wires  
and Three Phase 3 and 4 Wires.

Smart Meters.

Mini Circuit Breakers of 6KA—Riel Din Type.
